

**IN THE DISTRICT COURT OF JOHNSON COUNTY, KANSAS**

**ADMINISTRATIVE ORDER NO. 03 - 7**

Re: December 26, 2003

Thursday, December 25, 2003, is a paid holiday for all State and County employees. The Board of County Commissioners of Johnson County has declared Friday, December 26, 2003, to be a paid holiday for all Johnson County employees.

It is anticipated that few litigants will seek to schedule hearings or other court proceedings on Friday, December 26, 2003. It is further anticipated that a number of court personnel will otherwise schedule leave on that day and be unavailable for court business. In order to maintain the courthouse open that day, it will be necessary for the County to schedule both security and maintenance personnel with overtime expense to the County. This expense to the County is not warranted under the circumstances.

Accordingly, all employees of the courts are granted administrative leave with pay on Friday, December 26, 2003, and the courthouse will be closed on that day.

**IT IS SO ORDERED**

Dated this 8<sup>th</sup> day of September, 2003
