

## CIVIL PREAMBLE

These local district rules are found necessary and adopted pursuant to the authority in Supreme Court Rule 105 to aid in the administration of the affairs of the district court and of all courts of limited jurisdiction in the district. They are procedural in nature and attempt to provide predictable uniformity in the treatment and handling of all cases and of other matters addressed within these rules that are within the jurisdiction of this judicial district. To the extent deemed necessary by an assigned judge, application of the rules to a particular case or other matter may be modified.

**Assignment of Cases.**

**1. Chapter 60 Civil Case Assignment.** Chapter 60 cases, including divorce cases, will be randomly and permanently assigned among the judges assigned to the civil department of the court in a manner approved by the Chief Judge.

**2. Chapter 61 Civil Case Assignment.** All Chapter 61 limited action cases will be assigned to a magistrate judge unless otherwise directed by the Chief Judge. Any case transferred to a district judge pursuant to K.S.A. 61-2910 will be randomly assigned to a judge assigned to the civil department of the court in a manner approved by the Chief Judge.

**2.3. Refiled Cases.** Any case dismissed and refiled will be assigned to the same division to which it had previously been assigned. The Clerk must be advised of the re-filing, prior case number and assigned division for the prior case upon submission of the re-filed case.

**3.4. Motions for Consolidation of Cases.** Motions under K.S.A. 60-242 to consolidate two or more cases will be ruled upon by the judge assigned to the case with the lowest case number. Upon filing of such a motion, the movant shall notify that judge all presiding judges of the filing of the motion in the appropriate division. Upon consolidation, all of the consolidated cases will be assigned to the division in which the case with the lowest case number was assigned. After consolidation, unless otherwise ordered by the assigned judge, any case numbers that have been consolidated into another number will be administratively terminated.

**4.5. Conduct After Assignment.** After a case has been assigned to a judge, the assigned judge will have full charge of the case and all further hearings and proceedings will be before that judge, except as provided below.

**5.6. Unavailability/Unavailability of Judge.** When the judge of any division is unavailable, any case assigned to that judge may be tried before any other judge by agreement of the judge before whom the case is to be heard. Ex parte and agreed orders may similarly be presented to another judge of the civil department when an assigned judge is unavailable.

**6.7. Protection from Abuse and Protection from Stalking Act Cases.** A civil case under the Protection from Abuse or Protection from Stalking Act ("PFA or PFS case") ordinarily is initially assigned to a magistrate judge. If, however, a domestic relations action (which, under Local Rule 18, includes divorce, separate maintenance, annulment, and paternity cases) is pending at any time before the termination of the PFA or PFS case (including the termination of any final orders) and the PFA or PFS case involves (a) the same parties or (b) one of those parties by or against a child subject to court jurisdiction in the domestic relations action, then the PFA or PFS case will be automatically reassigned to the district judge assigned to the domestic relations action.

If a PFA or PFS case is filed (a) (1) either on behalf of a party to a previously-filed domestic relations action or (2) on behalf of a child still subject to court jurisdiction under a previously filed previously filed domestic relations action, and (b) the PFA or PFS case names as a

**7.8. Reassignment or Recusal.** When any judge has occasion to ask that a case or cases be reassigned, such reassignment shall be: (a) by the method of random assignment generally used for initial case assignment; (b) in cases in which reassignment is for reasons other than recusal of the initially assigned judge, by order of the judge directing reassignment with the consent of the successor judge; or (c) by order of the Chief Judge or the Chief Judge’s designee for this purpose.

**CIVIL RULE – NO. 4**

**CIVIL RULE – NO 3**

**Pleadings, Documents, etc.**

1. **Designation of Counsel.** Any pleading filed by an attorney in any action or proceeding shall contain the Supreme Court registration number of the attorney filing the same and shall clearly indicate the party or litigant represented by such attorney. All pleadings filed by a law firm or by multiple counsel shall designate the responsible local attorney for purposes of notice. Any change in designation shall be made to the court and all other parties in writing.

2. **Signatures of Local Counsel.** All pleadings or other papers filed by attorneys from other states pursuant to Supreme Court Rule 116 must also be signed by an attorney licensed to practice law in Kansas.

3. **Service of Pleadings Regarding Execution on Judgments.** It shall be the responsibility of counsel and self-represented litigants to furnish to the clerk or to the sheriff any needed directions and information for the preparation, issuance, or taking of property or persons, or for the sale or other disposition of property, including the correct amount of the judgment and interest accrued. Counsel and self-represented litigants shall also be responsible for the preparation of all orders of sale and publication notices, including notices of suit and notices of sale, and shall prepare the sheriff's return for judicial sales.

4. **Captions in Divorce Cases.** In all cases involving divorce, separate maintenance, or annulment, the caption designated by K.S.A. 23-2704(b) shall not be applicable to garnishment or summons papers issued by the clerk's office, as such papers are not pleadings under K.S.A. 60-207.

For such papers the first named party in a petition shall be considered the plaintiff, or petitioner, and the second named party shall be considered the defendant, or respondent, for purposes of service. In all authentications or certifications of divorce, separate maintenance and annulment matters, the clerk shall use the caption style provided in K.S.A. 23-2704(b), namely "In the matter of the marriage of \_\_\_\_\_ and \_\_\_\_\_."

5. **Entry of Appearance.** Each attorney who desires to be electronically associated to a case, thereby enabling access to the records and receipt of electronic notifications from **HMSOdyssey/Centralized Case Management** regarding the case, must file a separate signed entry of appearance. Group or law firm entries do not achieve the individual attorney association to the case. The entry must include the current accessible e-mail address for each attorney on the case.

6. **Authorization for Electronic Service.** KSA 60-211, as amended, requires that signature blocks on all filed papers include the signer's e-mail address. KSA 60-205, as amended, allows service of papers upon opposing counsel and parties "by electronic means when authorized by supreme court rule or a local rule." This rule, therefore, authorizes service of all papers, except those required to be served with a summons or required to be served by other specific means, by e-mail or other electronic means if and when opposing counsel or parties have complied with KSA 60-211, as amended, or otherwise provided their e-mail or other electronic address to use for such service. **Service by e-Service by e-mail or electronic means is deemed complete when transmitted, unless returned as undeliverable.**

**7. Generative Artificial Intelligence (“Generative A.I.”) certification.**

a. For purposes of this Civil Rule No. 3, “Generative A.I.” means: any machine-learning model/application that can create original content—such as text, images, video, audio or software code—in response to a filing party’s prompt or request, including but not limited to: ChatGPT, Co-Counsel, Google Bard, Neeva, Harvey, Ironclad, Bing, and similar commercial technology.

b. Litigants and their counsel have been and remain responsible for the content, accuracy, and quality of legal pleadings and papers submitted to the Court. This remains their obligation, even with the advent of Generative A.I., in the context of preparation and submission of case-related filings. Ethical obligations, applicable rules, and other legal authority (KSA 60-211, 60-212, inherent sanction authority, etc.) generally address such responsibilities, and the use of Generative A.I. applications must be consistent with these overarching obligations. There are inherent risks in using such Generative A.I. applications in drafting legal pleadings and/or papers, including risks of inaccuracy and/or non-existence of generated and proposed legal citations/authority.

c. In that regard, to further promote and ensure the accuracy and quality of legal pleadings and papers submitted to the Court, affirmative certification is appropriate and necessary for all filings subject to these Rules. Material misrepresentations within the certification of compliance set forth below, subsection (d), may result in striking of the document and/or sanctions or other consequences imposed upon the filing party and/or their attorney. Further, failure to include the required certification set forth below may result in the pleading being stricken or rejected, subject to re-submission in compliance with the Rule.

d. Effective upon the adoption of this Rule, all litigants and/or their counsel shall include and complete the following alternative certifications, which shall be placed immediately prior to the signature block for the filing party:

[Pursuant to Local Rule 3.7, the undersigned hereby certifies that no portion of [Title of Document] was drafted/prepared using Generative A.I.]

OR

[Pursuant to Local Rule 3.7, the undersigned hereby certifies that Generative A.I. was used to draft/prepare [Title of Document]. Specifically, [Name of A.I. tool] was used, in whole or in part, to draft/prepare this submission. The undersigned further certifies that he/she has independently verified the accuracy of every citation to the law or to the record and that any language drafted by Generative A.I., including quotations, citations, paraphrased assertions, and/or legal analysis has been included and submitted after considering the requirements of KSA 60-211 and any applicable ethical rules governing attorneys.]

e. Any party filing any paper with the Court, regardless of whether the required certification is included, is deemed to have reviewed this Civil Rule and impliedly represents, with his or her signature, that she/he has made good-faith efforts to ensure compliance with filing obligations, including the obligation to verify that any use of Generative A.I. is consistent with their obligations under Kansas law and these Rules.

**CIVIL RULE - NO. 4**

**Service of Process**

**1. Choice of Method of Service.** An attorney or pro se self-represented litigant requesting service of process on any pleading or document must complete the form called, "Service Instruction Form" before service shall be commenced.

- b. Service by a process server authorized or appointed by the provisions of K.S.A. 60-303.
- c. Return receipt delivery service by the pro se self-represented litigant or attorney. The responsibility for obtaining service and effecting its return shall be on the attorney or pro se self-represented litigant. The original receipt for service (e.g., in the case of certified mail, the green card) must be filed with the clerk's office before service can be perfected.
- d. Return receipt delivery service by the office of the sheriff. The responsibility for obtaining service and effecting its return shall be on the sheriff.

If the attorney or pro se self-represented litigant fails to elect the type of service, service will be done by certified mail through the office of the sheriff (K.S.A. 60-303 (b)).

The attorney or pro se self-represented litigant must sign any form designated for that purpose before the clerk will commence proceedings and such form shall accompany all service applications.

**2. Service Instruction Form.** The choice of method of service shall be indicated pursuant to the form set forth below. An attorney or pro se self-represented litigant requesting service of process must clearly state the complete address of the person or entity service is to be made upon. CIVIL RULE - NO. 8

Motions

1. Bench Copies. Copies of all motions, briefs in support, and briefs in opposition shall be provided by counsel to the assigned judge/division electronically (unless otherwise specified) at the time of filing to aid in the prompt adjudication of these matters. Selecting to provide a “bench copy” or “judicial review” copy when e-filing does NOT specifically transmit the document to the division, as contemplated by this Rule. Instead, direct email transmission to the specific assigned division is recommended to ensure receipt.

2. Requests for Hearing. Requests for hearing on motions should be made to the division in which they are filed or, when appropriate, to a hearing officer. Whenever possible, indicate in the upper right-hand corner of the motion and any supporting or opposing briefs the time and date on which the motion has been set for hearing. Counsel and self-represented litigants are responsible for either requesting and procuring a hearing date for any pending motion on which they require ruling or advising the judge/division that the matter is ready for determination and no argument is requested.

3. Response Deadline. If a motion is filed and the deadline for filing a response to such motion is not clearly set forth in either the Kansas statutes or the Kansas Supreme Court rules, the deadline for filing a response shall be 14 days after service of the motion.

4. DOC Number. Any reference to a prior pleading filed in the case shall include the pleading’s record of appearance docket number (DOCIndex #).

5. Submission of Proposed Orders. Proposed orders shall not be submitted along with motions, unless signed by all counsel, or, unless, the motion and proposed order specifically recites that all affected parties have been consulted and have no objection to the motion.

6. Waiver of Oral Argument. Counsel wishing to submit motions on the merits of the motion without argument shall notify the judge the matter is ready for determination, pursuant to Supreme Court Rule 133.

7. Page Limitations. Except as the court may specially authorize, the length of briefs shall not exceed the following:

a. Motions for summary judgment, to dismiss, and for judgment on the pleadings

Brief in support–50 pages  
Brief in opposition–50 pages  
Reply brief–20 pages

b. All other motions

## **CIVIL RULE – NO. 16**

### **CIVIL RULE - NO. 21**

#### **Chapter 61 Cases**

1. Court Assignment. All Chapter 61 limited action cases will be assigned to Division No. 61 unless otherwise directed by the Chief Judge. The current schedule is posted on the [Court's website](#).

2. Transfer to Chapter 60. When a motion under K.S.A. 61-2910 to apply the provisions of Chapter 60 to a case is granted, that case will be reassigned from Division No. 61 to a District Judge in the Civil Department under the procedures of Local Rule 2. Motions to transfer a case to Chapter 60 procedures should be made no later than 10 days prior to a trial date.

Motions to Transfer will only be granted if good cause is shown. If the Motion to Transfer is denied, expansion of discovery provisions will be liberally granted.

3. Answer Dates. Answer Dates in Division No. 61 will be on Thursdays at 9:30 a.m. and at 10:30 a.m. as set forth on the Court's website. If the defendant fails to appear or file a written Answer, default judgment for the liquidated amounts set forth in the Petition may be entered against the defendant. The specific amount requested, including any amount requested for attorney fees, must be stated in the Petition in order to be granted in the Judgment. If the plaintiff fails to appear to call the case, the Petition will be dismissed for failure to prosecute unless the plaintiff has knowledge that a written Answer has been filed. Continuance of Answer Dates ordinarily will not be granted. If the defendant appears on an Answer Date and enters a general denial, the defendant shall file with the Court Clerk a Written Answer within 14 days from the Answer date and provide a copy to plaintiff (or plaintiff's attorney) per K.S.A. 61-2904. Failure to do so may result in Judgment entered against the defendant. Written Answers are subject to the requirements of K.S.A. 61-2904 (which requires filing a written Answer to assert affirmative defenses under K.S.A. 60-208).

Blank Answer Forms will be provided by the Clerk's Office and are posted on the [Court's website](#).

4. Answer Dates and Trials – Evictions. Trials in eviction cases under K.S.A. 61-3801 et. seq. shall be held at 9:00 a.m. on the Friday of the week following the Answer Date (i.e. within 14 days after the appearance date set forth in the summons unless a holiday or furlough day). No separate written notice of this trial is required; counsel and parties are deemed to have notice of this local rule. Continuance of this trial cannot be granted unless the defendant files the bond required by K.S.A. 61-3807(b) in advance of the trial setting or has such bond to present for approval at the time of trial.

5. Journal Entries. It is the responsibility of the plaintiff to determine the status of service of process and to present to the Judge a proposed Journal Entry/Judgment Form reflecting service, appearances, and the proposed Judgment or disposition to be entered, if appropriate. Unless otherwise directed by the Judge, a Journal Entry/Judgment Form shall be presented to the Judge at the conclusion of the call of the docket.

An approved Journal Entry form and instructions are posted on the [Court's website](#) and shall be used in all cases. Blank Journal Entry forms will be made available at each docket call by the Clerk's Office.

6. Attorney Fees. In cases involving a claim of property damage arising out of an automobile accident under K.S.A. 60-2006, and in all other cases in which attorney fees are authorized either by statute or written contract, and the defendant either failed to appear on the Answer date or file a written answer and default judgment was granted, the Court will presume that the following shall constitute a reasonable attorney's fee in the absence of an affidavit or other evidence demonstrating, under applicable standards (see Model Rule of Professional Responsibility 1.5), that a different amount is required for the award of a reasonable fee in a specific case:

Automobile accident cases: \$1,000.00 (subject to Court discretion);  
Insufficient fund check cases: \$ 350.00 (subject to Court discretion);

#### **FAMILY COURT TRIAGE: Case Management Information & the Pathway Assignment Sheet**

To increase the efficiency and efficacy of the family court, the Tenth Judicial District has developed a case assignment plan for the Family Department. This plan was developed by the judges in consultation with the family law bar and other allied professionals. The plan uses objective criteria to assign family court cases to a case management pathway. The appropriate assignment is designed to increase court user satisfaction, improve outcomes, and assist judges in their continuing efforts to manage family court cases effectively and efficiently.

**1. Pathway Assignment Sheet.** Effective April 1, 2023, a party will complete the Pathway Assignment Sheet (“PAS”) in the form and manner approved by the District Court:

- a. when filing an initial petition or request for Divorce, Determination of Parentage, Child Custody, or Non-Parent Visitation;
- b. when filing an answer or other responsive pleading thereto (or if no responsive pleading is filed, within 30 days of receipt of the initial pleading);
- c. when filing a motion to modify an existing parenting plan, or
- d. upon the Court’s request.

**2. Exempt Actions.** The following actions are exempt from this rule.

- a. An action filed by the Department of Children and Families, or their contractors, for the establishment of child support, including an initial action to establish parentage, except that the parents may be required to complete the PAS if the Court is asked to establish or modify a parenting plan.
- b. An action to register for enforcement under the UCCJEA and/or UIFSA, if that action does not request the establishment or modification of a parenting plan.
